WARNING TO MEMBERS, SPECTATORS, VISITORS AND PLAYERS

DISCLAIMER I recognise that polo is an aggressive, physical sport which, by its nature, involves a high risk of injury and damage to persons, animals and property, not only to the persons who are engaged in playing polo but also to bystanders and their personal property. I also realise that SAPA cannot control the actions of members or other persons playing polo or the actions of the animals, and that SAPA cannot and does not guarantee the safety of members or other persons or their animals or property while on the host club's property or while using the host club's facilities. We accept full responsibility for our own safety, the safety of members of my family, guests, employees or other persons from time to time using the host club's facilities as my invitees, and the safety of all their property (including horses and other animals). We shall hold harmless and fully indemnify SAPA, the host club and its instructors, officials and helpers and any persons assisting or connected to any SAPA event in respect of all acts of guests and visitors or their respective animals.

PUBLIC DOMAIN PERMISSION I hereby authorise photographs taken of me, my family and guests throughout the polo event to be published in the local and national press and/or on the internet for information or publicity purposes. I understand that SAPA will select photographs for publication with care and respect for those shown. Independent Press photographers are excluded.
