## Player Ability and Division Rules

Section	Division	Description/Rules of Entry	No of Players in Team		Handicap	Combined	Return to middle (after a goal)	How long can I play in this Section
			Arena	Grass				
Beginner	The beginner section is for players who have just started playing polo in this current academic year. It is split according to whether players have got any previous riding experience or not. Please note that if a player has ever played polo, polocrosse* or mounted games in any shape or form prior to this academic year, they are not eligible to play in the Beginner Section and must move straight to Novice. You can only play in a Beginner section for one academic year before you must move up to Novice or Median.							
	Beginner 1	These divisions are for players who have just started playing polo in this current academic year but may have participated in another equestrian discipline (not including polo, polocrosse, or mounted games).	3	3	No Handicap allowed	No	Yes	For 1 academic year (September to September) in your first year of starting polo
	Beginner 2							
	Beginner 3	These divisions are only open to players who have not ridden a horse before this academic year and have not participated in any other equestrian disciplines before. This allows players to be safe as they are learning to ride whilst also learning to play polo.						
	Beginner 4							

Section	Division	Description/Rules of Entry	No of Players in Team		Handicap	Combined	Return to middle (after a goal)	How long can I play in this Section
			Arena	Grass				
Median	You may only play in Median for your second year of polo for one academic year then you must then move up to Novice. If you played Beginner 1 or 2 the previous year cannot play in Median and you must move to Novice. Please note that if a player has ever played polo, polocrosse* or mounted games in any shape or form prior to this academic year, they are not eligible to play in the Median Section and must move straight to Novice.							
	Median 1	This division is only open to players in their second academic year of polo who competed in Beginner 3 or 4 the previous year, and whose coaches do not feel are ready to move up to Novice yet.	3	3	No Handicap allowed	No	Yes	For 1 academic year (September to September). Can only be your second year of polo regardless of any breaks between.
	Median 2	This division is only for beginner players in their second academic year of polo who have not competed before, therefore are not eligible to play in the beginner section and whose coaches do not feel are ready to move up to Novice yet.						

\*Players who play or have played polocrosse will play off the handicap given and assessed by their approved HPA coach/instructor using the HPA approved scale of: A = 1/2, B = 0/1, C = -1, D = -2

			Arena	Grass					
Novice	SUPA actively encourage upward mobility through the divisions, therefore Novice teams that have won their division at either National Championships should move up to the next division e.g. Novice 3 to Novice 2, or Novice 1 to Intermediate 2 at the next tournament. A player is only eligible to be entered into one division higher or lower than their ability, e.g. Novice 1 or Novice 3 if the player is Novice 2 ability. Any players playing across a wider span of divisions will be challenged, e.g. Playing in Novice 1 and Novice 4. Any infringements of these rules may result in SUPA moving teams into different divisions.								
	Novice 1	This section is for any player with a maximum of a -2 handicap or deemed suitable by their approved coach/instructor.	3	4	Max -2	No	No	For 3 academic years maximum, (regardless of which Novice division/s you have played in)	
	Novice 2								
	Novice 3	This section is for players who have gained experience through playing in Median, Beginner 1 or Beginner 2 and are now confident enough for Novice. You can play in this section if you are a beginner with strong riding experience from another equestrian discipline and your approved coach/instructor feels that you would be better suited playing at this level.		3	No Handicap allowed				Yes
	Novice 4								

\*Players who play or have played polocrosse will play off the handicap given and assessed by their approved HPA coach/instructor using the HPA approved scale of: A = 1/2, B = 0/1, C= -1, D= -2

Combined	The combined section is for teams made up of players from different universities. It provides the opportunity for players without a polo club at their University or players without a team to compete in Combined divisions. The combined divisions mirror their equivalent section in rules and player ability levels. If you are an individual player or have a space in your team, please get in touch with the Section Manager before you enter to assist building a team. All players in a combined team submitting individual entries must provide the name of their teammates and the team name in the box provided when entering.							
	Combined 1	Equivalent to Intermediate 2, this division is for teams comprising of any player up to and including a -1 handicap.	3	4	-1	Yes	No	No limit
	Combined 2	Equivalent to Novice, this division is for teams comprising of players up to and including a -2 handicap. Please build teams with a mixture of player abilities.			-2			For 3 academic years maximum, (regardless of which Novice division/s you have played in)
	Combined 3	Equivalent to Median, please read the guidance for Median which applies to Combined 3.		3	No handicap	Yes	For 1 academic year (September to September) Can only be your 2nd year of polo regardless of any breaks between	
	Combined 4	Equivalent to Beginner, please read the guidance for Beginner which applies to Combined 4. Please build teams with a mixture of player abilities.			No handicap		For 1 academic year (September to September). Can only be your 1st year of polo.	

\*Players who play or have played polocrosse will play off the handicap given and assessed by their approved HPA coach/instructor using the HPA approved scale of: A = 1/2, B = 0/1, C= -1, D= -2
